

A PROGRAM OF NORTH VALLEY COMMUNITY FOUNDATION

How can your dollar be worth more than a dollar?

When you make a donation to Children's Center for Hope through the Annie B's Community Drive, we can take advantage of an incredible grant program from North Valley Community Foundation (NVCF).

This is how it works.

North Valley Community Foundation has committed to granting up to \$200,000 this year to our local nonprofits. In order to receive a portion of these funds Children's Center for Hope needs to raise money from our organizations' friends from August 1 through September 30. These donations will be sent to NVCF earmarked for CCFC. Literally, you will make the check out to "**Annie B's / CCFH**".

One hundred percent of the monies raised for CCFC through Annie B's Community Drive will go to support education for the neediest children in Africa. After September 30, NVCF will tally the total amount raised by all participating nonprofits and determine the percentage grant amounts that will be given.

In 2007, NVCF distributed \$102,000 in grants and the nonprofits collectively raised \$787,000, with percentage grants totaling 14%.

This is how your dollar will be worth more to Children's Center for Hope than a dollar!!

Donations must be received by NVCF between August 1 and September 30 to be eligible for the grant program. NVCF is very flexible in the donations that can be accepted. Checks are most commonly used for donations, but donations can also be made online with your credit card. NVCF also accepts gift of stocks or equities, and can even accept gifts of real estate or other personal property of value.
